

## **Mission Camp Prayer Guide**

## Pray for our campers.

Pray that their time at Seeker Springs will be fun and memorable but most importantly, that it will be life-changing. Pray that God will open their hearts to know Him and begin a relationship with Him. Pray that when they go back to their everyday lives they will reflect God's light into dark places. Pray they will be strong and bold and difference-makers for Jesus!

## Pray for our volunteers.

Pray for the hearts of our volunteers. Pray that their brief time with campers will be intentional and impactful. Pray that God will also meet them at camp and show them God can use them to make a difference in the lives of children who desperately need to know and feel the love of Jesus!

## Pray for our staff.

Pray that our staff continue to seek the Lord from the planning of camp to the completion of camp and beyond. Pray that we lead in a way that gives all glory and honor to God. Pray for continued faithfulness and passion for the calling of this ministry and the work God has for us at Seeker Springs.
